PROFESSIONAL SUMMARY

Recent graduate of Generation Thailand's Junior Software Developer Bootcamp with over 7 years of leadership experience in the restaurant industry. Seeking to apply my MERN stack skills and proven abilities in communication, leadership, and problem-solving to a Full Stack Developer role. Dedicated to leveraging my diverse background to bring unique perspectives and innovative solutions to software development projects.

SKILLS

Technical skills: MERN stack (MongoDB, Express, React, Node.js), JavaScript, SQL, Tailwind, RESTful API, AI tools, Prompt Engineering

Behavioral skills: Agile/Scrum, Team Management, Problem-Solving, Leadership, Communication

Language skills: English (intermediate), Thai (Native)

PERSONAL PROJECT

JobSquare - Talent Acquisition and Career Matching Platform

- Implemented user authentication with JWT, job posting for recruiters, and job application for talents.
- Utilized Jotai for efficient state management in React components.
- Integrated Cloudinary for handling image uploads and storage.
- Demonstrated proficiency in building scalable and secure web applications.

Voyage - Curated Travel Package Platform (Generation Bootcamp Final Project)

- Developed a full-stack web application using the MERN stack to simplify travel planning.
- Implemented user authentication, curated travel package listings, and secure payment integration.
- Demonstrated proficiency in building intuitive user interfaces, managing data with Mongoose, and creating efficient RESTful APIs.

EXPERIENCE

Junior Software Developer Bootcamp: Generation Thailand (April 2024 - August 2024)

- Learned to build web applications using React for the front-end, Node.js for the back-end, and MongoDB as a database.
- Acquired essential career-switching skills, such as growth mindset, effective communication, agile methodologies, and teamwork.
- Developed a final project (Voyage) demonstrating the ability to apply new skills in a practical setting.

Owner / Manager: Family restaurant - souvenir shop (2019 - 2024)

- Managed day-to-day operations, demonstrating strong leadership, problem-solving, and decision-making skills.
- Successfully transitioned the business to online platforms, increasing revenue by 30%.
- Achieved consistent profitability and growth through effective planning, resource management, and customer service.

Assistant Restaurant Manager - Acting Manager: S&P Syndicate Public Co., Ltd (2017 – 2019)

- Led team of 20+, improving efficiency and reducing staff turnover by 15%
- Implemented new training programs, increasing customer satisfaction by 25%
- Optimized operations through data-driven decision making

EDUCATION

B.S. (Culinary Technology and Service) (2017)

Suan Dusit University, Bachelor's Degree
